Fifty-ninth session
Second Committee
Agenda item 85 (f)
Sustainable development: Convention on Biological Diversity

Qatar:* draft resolution

Convention on Biological Diversity

The General Assembly,

Recalling its resolutions 55/201 of 20 December 2000, 56/197 of 21 December 2001, 57/253 and 57/260 of 20 December 2002 and 58/212 of 23 December 2003,

Reiterating that the Convention on Biological Diversity[1] is the key international instrument for the conservation and sustainable use of biological resources and the fair and equitable sharing of benefits arising from the use of genetic resources,

Recalling the World Summit on Sustainable Development commitments to pursue a more efficient and coherent implementation of the three objectives of the Convention and the achievement by 2010 of a significant reduction in the current rate of loss of biological diversity, which will require action at all levels, including the implementation of national biodiversity strategies and action plans and the provision of new and additional financial and technical resources to developing countries,

Recalling also the commitment made at the World Summit on Sustainable Development to negotiate within the framework of the Convention on Biological Diversity an international regime to promote and safeguard the fair and equitable sharing of benefits arising out of the utilization of genetic resources,[2]

Expressing its deep appreciation to the Government of Malaysia for hosting the seventh meeting of the Conference of the Parties to the Convention on Biological Diversity and the first meeting of the Conference of the Parties to the
